

REDFA invite Members & guests, Eden Riverfly volunteers and Eden Fisheries Plan partners

to an evening presentation from

Paul Knight CEO of the Salmon & Trout Conservation UK

on the Health of our Game Rivers

*featuring case studies on the Eden Riverfly as part of 12 English rivers in the
2015 Riverfly Census Report*

with contributions by Dr Nick Everall of Aquascience, Dr Nick Measham and Stuart Croft

- * ***Thursday 29th September - 7.00 for 7.30pm start***
- * ***Stoneybeck Inn, Bowscar, Penrith CA11 8RP*** (half a mile east of J41)
- * *Ullswater suite with large screen and bar facilities*

*We expect a good deal of interest to what will be a lively and open presentation and discussion
throwing new light on our Rivers, invertebrate health and fish stocks*

So please confirm your place with myself by 24th Sept
